Facial Course

Black Pearl Facial Course ——— 22,000yen/33,000yen

60 minutes (requires 90 minutes in total)/
90 minutes (requires 120 minutes in total)

This is a luxurious treatment course using cosmetics containing Black Pearl Conchiolin,* an ingredient extracted from the nacreous layer of black-lip pearl oyster. Black Pearl Conchiolin is rich in amino acids and peptides that are indispensable for maintaining healthy and beautiful skin. It is especially recommended to those who are concerned about dry skin, face line firmness, and aging signs found around the eyes and nasolabial folds.

★**TOBA Pearl Facial Course** ——— 17,600yen/24,200yen

60 minutes (requires 90 minutes in total)/
90 minutes (requires 120 minutes in total)

This treatment course is an all-hand massage that works on lymphatic drainage and muscular tissues. The course tones your facial lines, which tend to loosen, and applies a concentrated moisturizing treatment with "Pearl* Pack," which is offered only at the Toba Hotel International Pearl Spa. The treatment carefully moisturizes your skin down to every cell, leading to sleek, bouncy skin.

*1: Pearl Collagen (moisturizer: succinoyl atelocollagen) and Pearl Conchiolin (moisturizer: hydrolyzed conchiolin)

Trial Facial Course ——— 13,200yen

45 minutes (requires 75 minutes in total)

This treatment course is an all-hand massage that works on muscular tissues and lymphatic drainage. It refreshes your face and improves skin clarity by promoting blood circulation and facilitating the excretion of waste products. It is a course recommended to customers who are receiving facial treatment for the first time.
